

Once upon a time, in the  
small kingdom of  
Bunnymeadows...

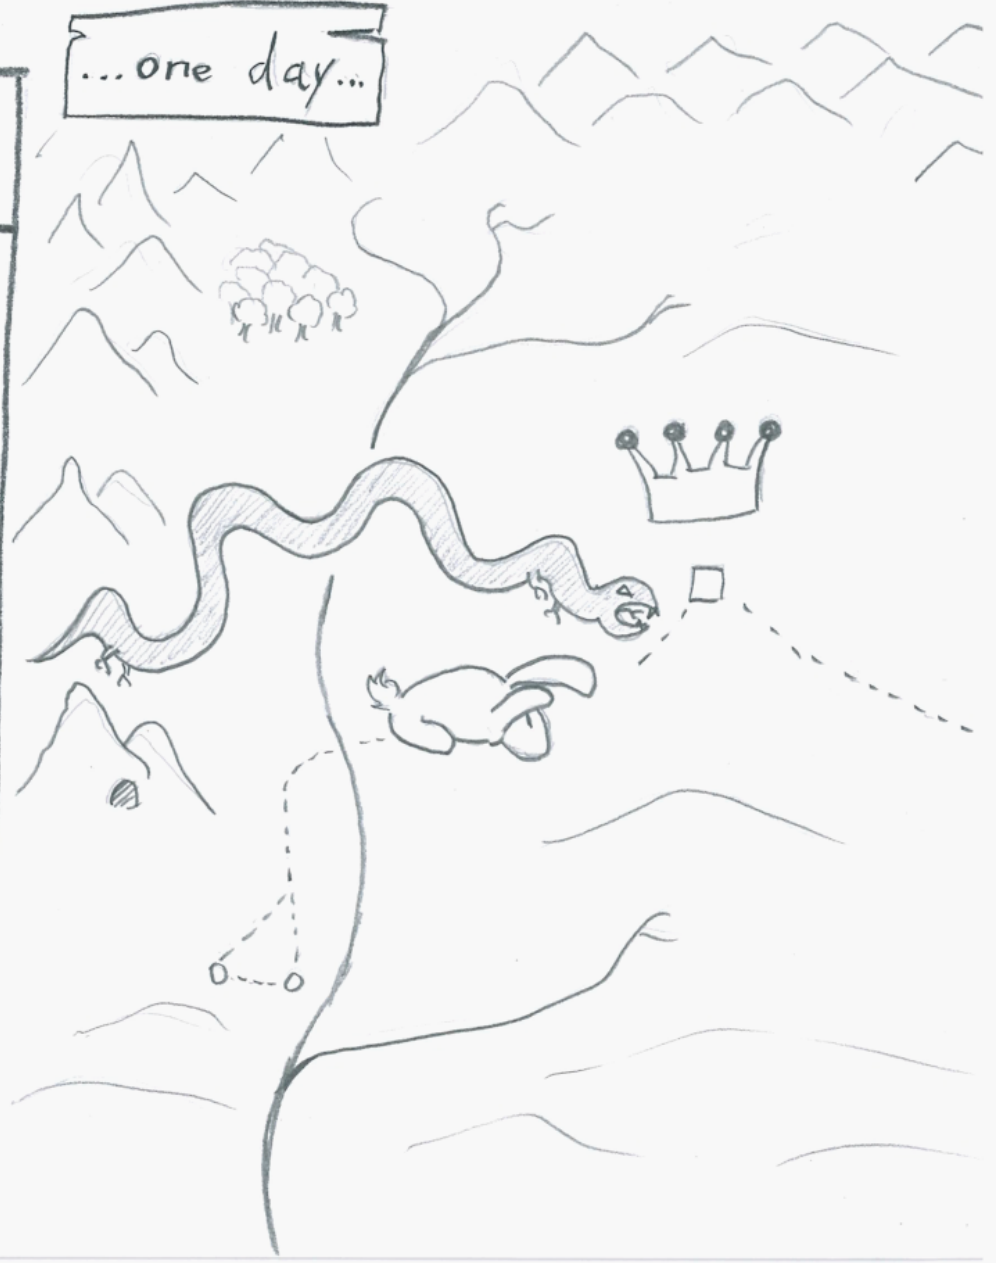

... the kind and just king Sam  
cared for all his people...

... ,but most of all for his daughter,  
the lovely princess Sarah.

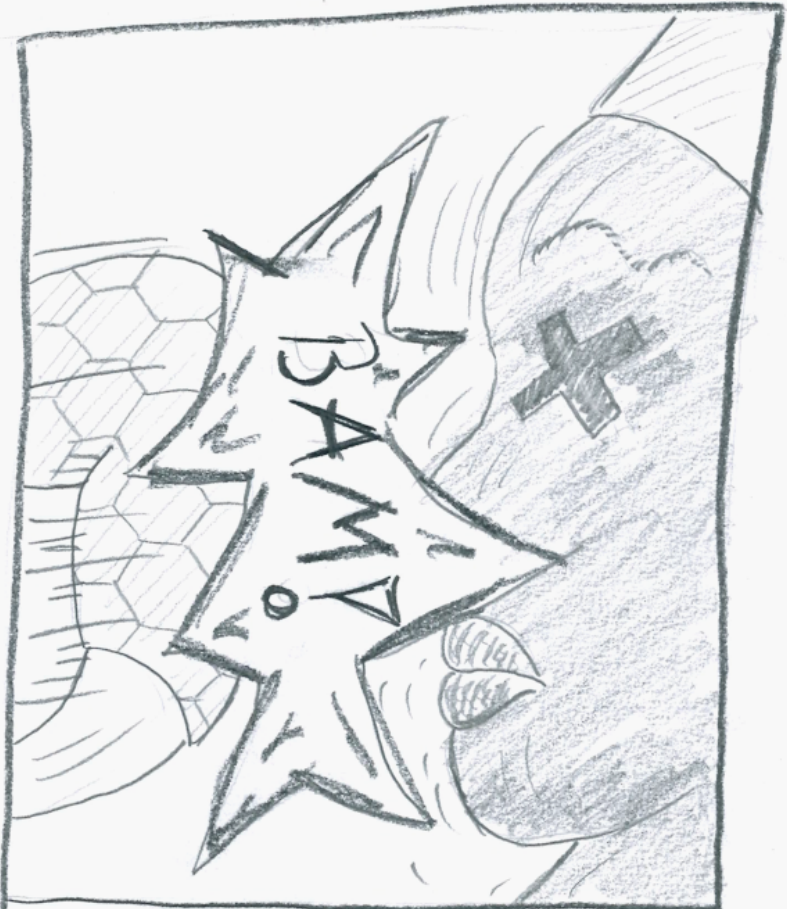

Until...

... one day...

...the mean dragon came ...

... and kidnapped the princess.

The king was very sad...

... and called for the champions of the realm.

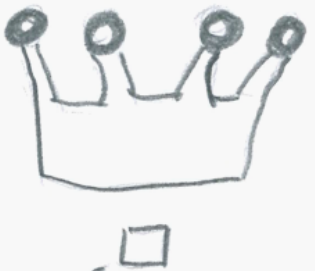

They had a small tournament to see who would rescue princess Sarah.

The knight beat everyone up...

The journey was quite short  
and not very perilous.

It was a small kingdom  
after all.

There was an ambush in the forest...

Your money  
or your life  
dweeb.

..., but the Knight showed the bandits the error of their ways.

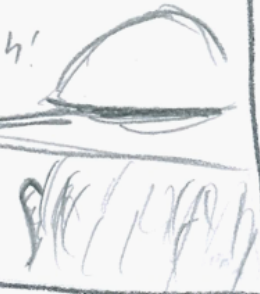

...and that is why  
banditry is just not

in a kingdom  
with  
47 people.

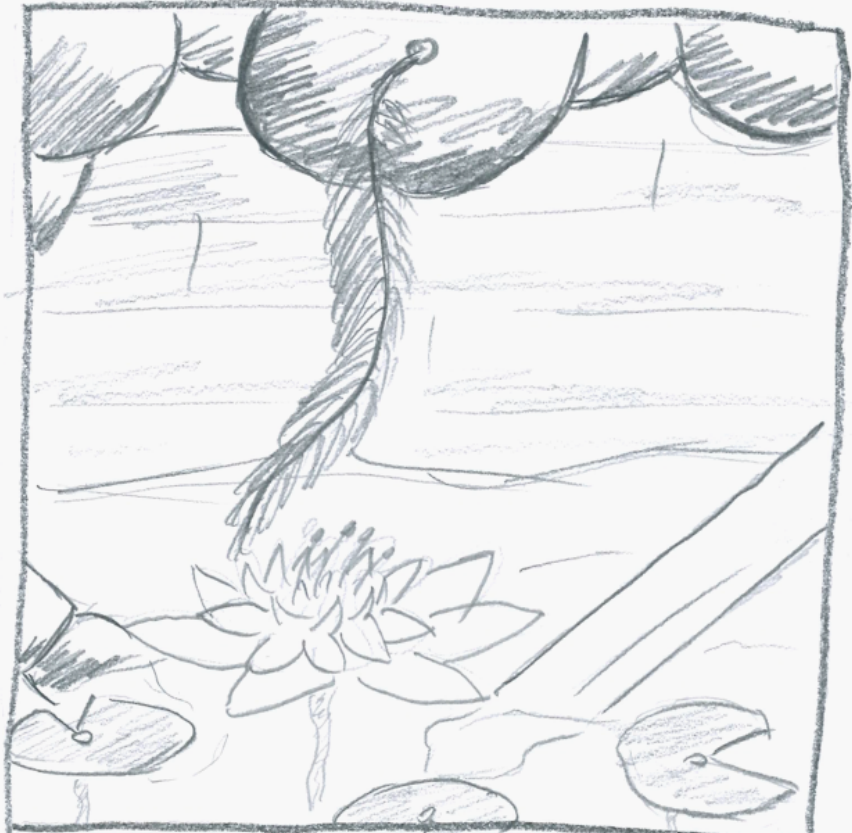

Ah!

Oh yeah!

The knight crossed the bunny dew  
mellon river...

...and picked up a water Lily for  
the princess.

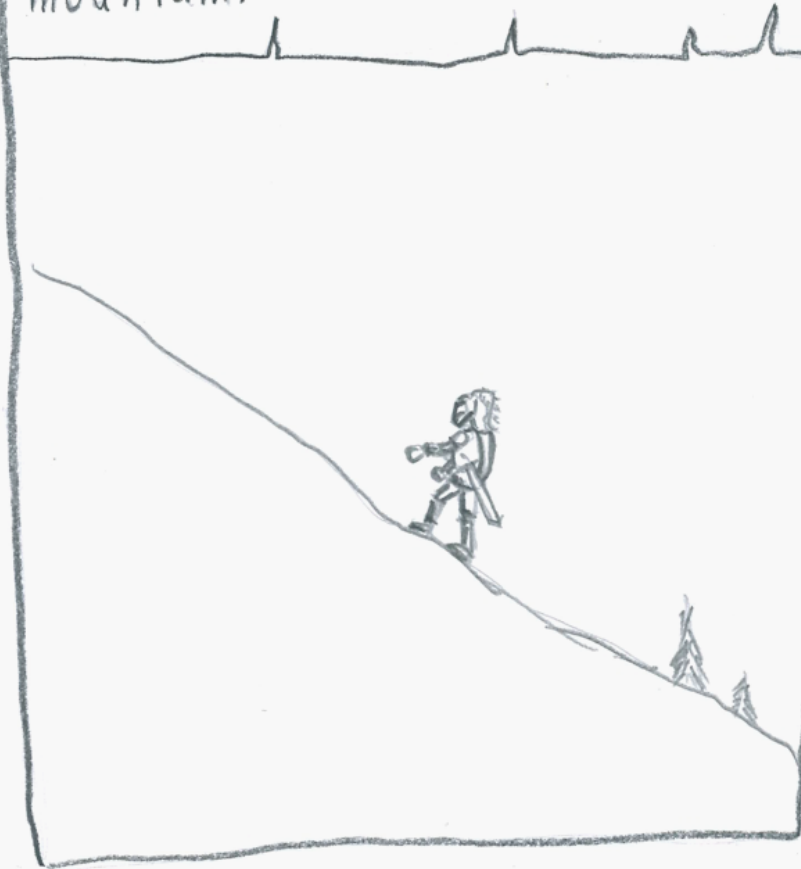

The knight met a hungry bear at the foot of dragon mountain...

... and they shared lunch together.

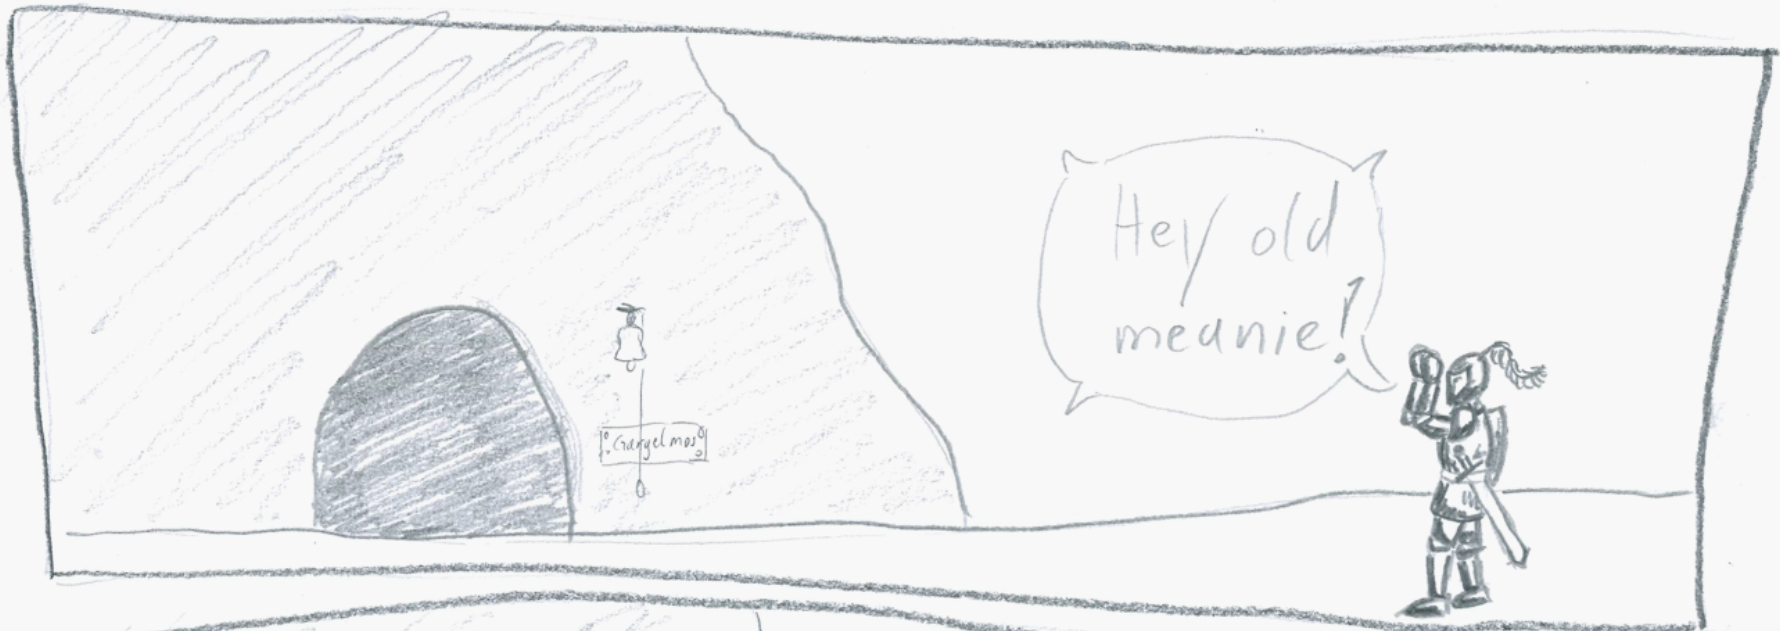

The knight walked up dragon mountain.

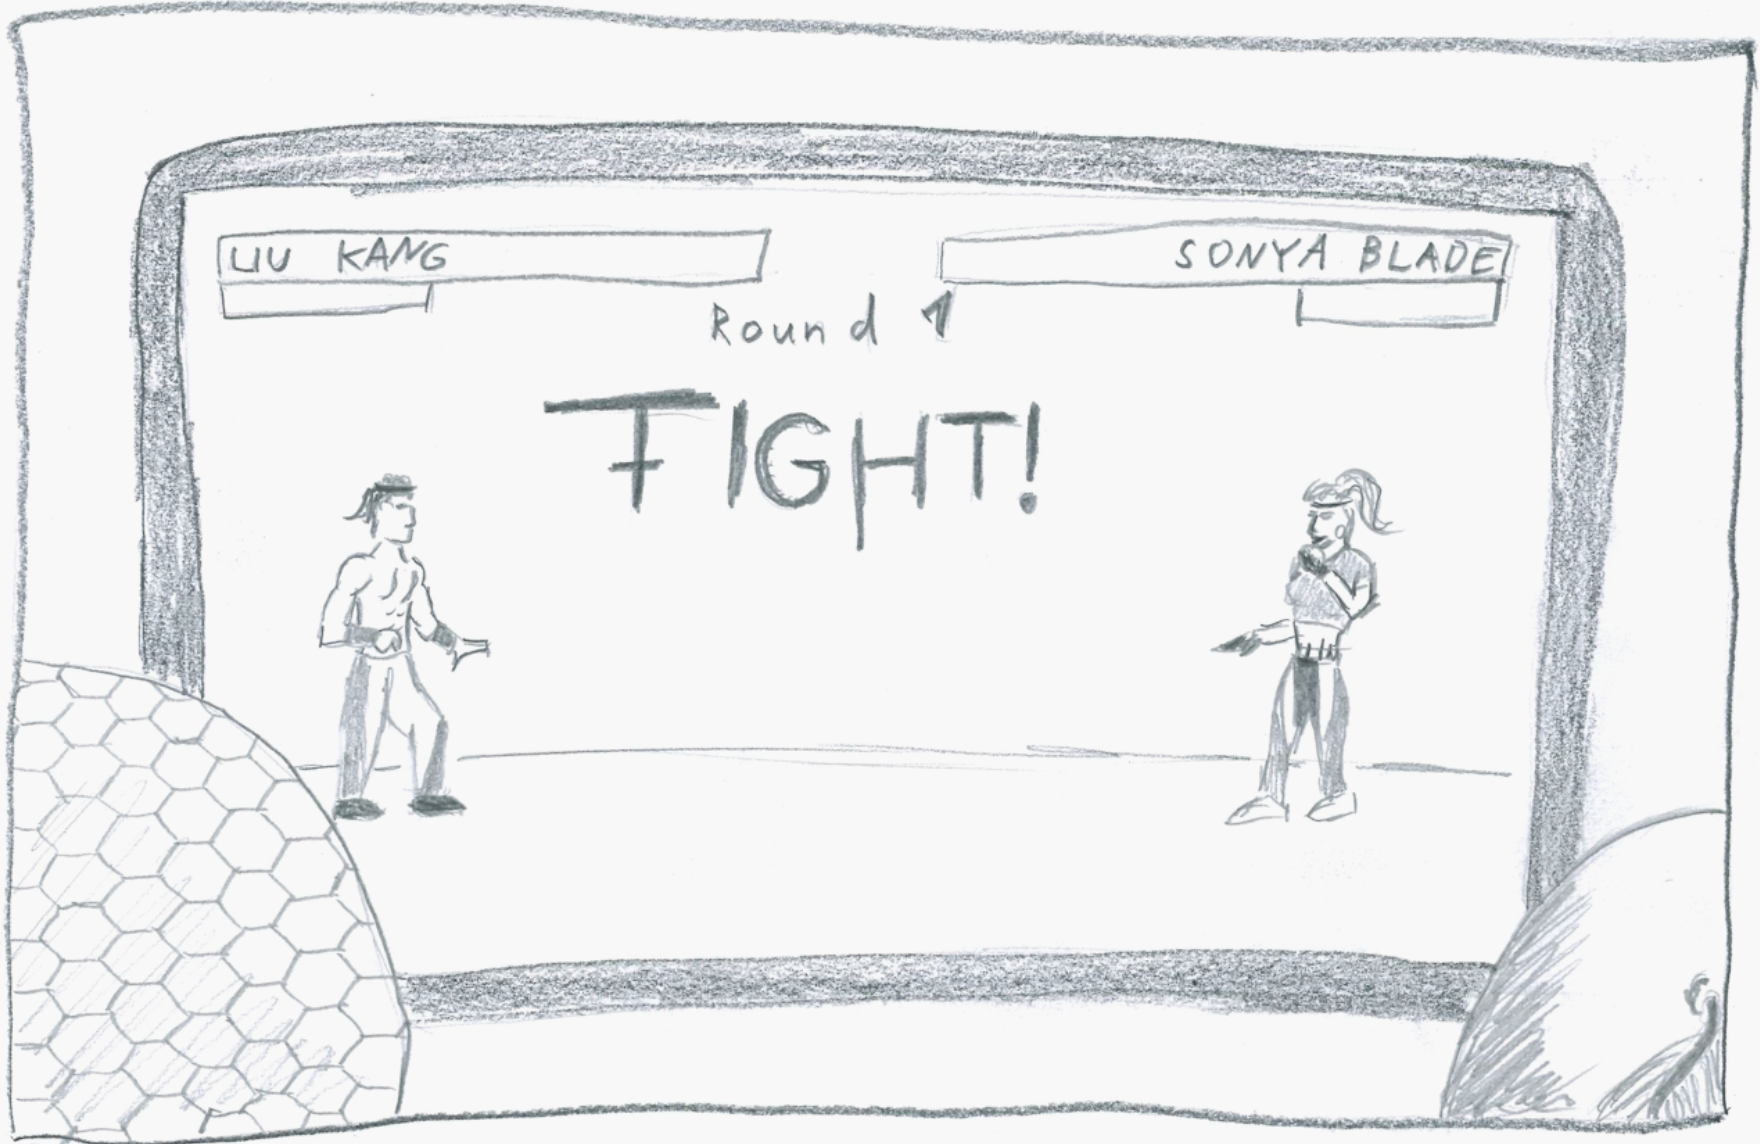

The knight walked down dragon mountain, because the dragon's cave was at the bottom, ...
